JULY, 2017

Summer Picnic

Date : Saturday, August 19, 2017
 11:00 am to 2:00 pm
 Location : Mitchell Park, Palo Alto

The annual summer picnic is a FREE event for CBA members and their families/friends. It provides a networking platform for new and old friends interested in the life sciences. CBA provides a variety of foods. Pre-registration is highly recommended to ensure enough food. Bringing home-made food to share is welcome.

Previous summer picnics

Ho Family Scholarship

Ho Family Scholarship is for high school students planning to pursue a career in the life sciences. To be eligible for consideration, applicants must satisfy the following requirements:

- Are high school juniors or seniors in Fall 2017
- Are intent on pursuing a career in the life sciences
- Are children of current CBA members (or join as student members)
- Submit a 300-word essay
- Be present at the award ceremony at the 2017 CBA annual conference on October 14, 2017 (or be represented by a family member)

Applications must be submitted by September 30, 2017.

For details, please visit <http://www.cbaf.org/>

2016 scholarship recipients accept their awards from scholarship founder and committee chair Caesar Ho.

RECENT EVENTS

CAN Program (Career Advisory Network)

The CAN Program Kickoff Meeting was held at Hanqi Investment, Burlingame on April 29, 2017. CBA members joined this program as both mentors or mentees.

This program is run in collaboration with the Chinese American Biopharmaceutical Society (CABS). It is a mentoring program designed to help advance career goals in the life science industry through mentoring, skills building, and networking. It offers a six-month program with 1:1 mentoring meeting, brunch gathering, and group network sessions.

Meeting with CEO and Business Development Manager of 億觀生技 (Aidmics Biotechnology)

億觀生技 (Aidmics Biotechnology) is a Taiwan-based company that developed an innovation product called iSperm. On April 12, CBA board members hosted a lunch with the visitors in Milpitas. We hope this meeting is the beginning of a wonderful relationship between our organization and the industry in Taiwan.
